Can you help me out with these questions for the grant?

1. What are their per hour unloaded labor rates? (if applicable)
2. How many hours will they spend on the project over its duration?
 $2 \text{ days/week} * 6 \text{ hrs./day} * 52 \text{ weeks/yr.} * 3 \text{ years} = 1872 \text{ Hours over project life of grant (~3 years)}$ Please confirm if correct.
3. What fringe rate do you use for those employees? (if applicable)
4. What do you use for an indirect overhead rate? (if applicable)

Regards,

Carter Atkins
